INFLAMMATION OF THE EYES is not only always attended with intense suffering, but when neglected, often terminates in blindness.

Whicht's Indian Vegetable Pills are peculiarly adapted to WHITING we recognize that of a zealous and active Whig.

Whicht's Indian Vegetable Pills are peculiarly adapted to the cure of all disorders of the eves; because they purge (purify) the body from those morbid or poison us humors, which are the cause not only of inflammation of the eyes, but of every ache or pain we suffer.

A single 25 cent box of said Indian Vegetable Pills is generally sufficient to make a perfect cure of the most violent attack of inflammation of the eyes; at the same time the digestive organs will be improved, and the blood so completely purified, that not only will all kinds of inflammation be diver from the body, but new life and vigor will be given to the whole frame.

Such a recommendation alone, must convince thousands that it is what its proprietors say of it—the most certain cough remedy in the world.

New-York, Oct. 25, 1843.

Gentlemen—The Hoarhound Candy you had the kindness to send ine. It have used freely, and it is with pleasure I take this occasion to acknowledge its good effects upon my voice and general health. I would most cordially recommend its use to all public speakers. It clears the voice, and is the best article of the kind I have ever used to cure those diseases of the throat with which speakers are most liable to be affected.

Respectfully yours.

The Entract of Lungwort is fast gaining great popularity in curing CONSUMPTION and LIVER COMPLAINT, Coughs, Colds, Asthma. Spitting of Blood, and all diseases of the Chest and Lungs. We ask those who desire a certain cure to call and see the proof which is daily given of its beneficial effects upon the Lungs. It is afforded at such a low price that all can afford to use it. It is the cheapest medicine that can be found. We advise those who have more money than they require to expend it upon articles that are sold at double the money and not as good. A Civic Crown was bestowed upon a Roman who saved the life of a fellow-citizen. Thousands have been snatched from the very gates of death by Thousands have been snatched from the very gates of death by these excellent preparations, and the fame of the cures they have wrought has increased the demand for them so immensely that the machinery for their manufacture, vast as it is, and constantly in motion, is scarcely adequate to supply the call for them. Pulmonary diseases generally yield to Peters's Cough Lozenges within forty-eight hours after they are administered, and coughs of long standing are frequently cured by them in a single day.
